Quality Associates Named 2008 Winner of Prestigious Fujitsu Partner Award

Fulton, Md. – March 17, 2009 – Quality Associates, Inc. (QAI), (www.qualityassociatesinc.com), an established provider of services and solutions for document management, imaging, and archiving, announced that it received a new achievement award from long-time partner Fujitsu Computer Products of America, Inc. Quality Associates won the “Premier Partner of the Year 2008, Eastern Region” honor for being Fujitsu’s top selling value-added reseller (VAR) within the eastern half of the United States in 2008. The award was presented to QAI during an awards ceremony at Fujitsu’s annual partner conference, which was held in February in Las Vegas.

Out of more than 5,000 authorized Fujitsu resellers across North America, only a select group secures the distinction of “Premier Partner.” Fujitsu awards the top regional reseller for the East and West the “Premier Partner of the Year” award. Fujitsu started its Premier Partner program in the mid-1990s, and this year was the seventh time the company handed out awards to leading partners and resellers.

Nina Lutjens, Vice President, Imaging Products Group, Fujitsu Computer Products of America, Inc., said, “Each year during our annual partner conference, Fujitsu presents awards to a limited number of companies. One premier partner receives the ‘Premier Partner of the Year 2008, Eastern Region’ award. To select the winner, we consider many factors, including the level of sales, and the strength and commitment of the business relationship. After careful consideration, Quality Associates emerged as this year’s winner of the ‘Premier Partner of the Year 2008, Eastern Region’ and we look forward to continuing our successful affiliation.”

Scott Swidersky, Director, Information Systems Division, Quality Associates, said, “On behalf of
