

Quality Associates Awarded a GPO 951-M Contract by U.S. Government Printing Office

Under Multiple Award Task Order Contract (MATOC), QAI will compete for task orders to perform services and operations for various government agencies.

Fulton, Md. – Dec. 18, 2014 – Quality Associates, Inc. (QAI), a provider of enterprise-class services and solutions for content management, document imaging and ECM, has received a Multiple Award Task Order Contract (MATOC) from the U.S. Government Printing Office (GPO). Under this umbrella contract, QAI will compete for individual task orders to perform services and operations for a variety of government agencies.

Specifically, QAI will offer its expertise in scanning and document conversion, electronic document management and digital asset management, equipment maintenance, and other services as indicated by individual task orders. This indefinite delivery/indefinite quantity (IDIQ) contract has a two-year term from the date of the award, with up to three optional 12-month extension periods.

Scott Swidersky, President, QAI, said, “QAI’s core service offerings align well with the Government Printing Office’s requirements under this umbrella contract. Our proven track record of providing document imaging services and content management solutions to a wide range of companies and organizations, including those in the federal sector, gives us confidence to support any task orders we are awarded through this contract.”
