

THE BIGGEST KODAK ALARIS SCANNER SALES EVENT EVER!

Don't miss out on HUGE savings.

The National Archives and Records Administration (NARA) M-19-21 mandate is setting the standards for all federal agencies to follow for advancing digital records management. As you complete your fiscal year-end spend and plan for future M-19-21 compliance needs, Kodak Alaris and QAI extend a special invitation to our exceptional pricing event on select scanner models.

SCAN WITH POWER FOR REAL-WORLD VOLUMES

KODAK i5850 Scanner

The KODAK i5850 Scanner is a floor-standing model and a major advance in ergonomically friendly production scanning. With a 750-sheet input elevator for continuous document feeding at 210 pages per minute and an unlimited daily duty cycle, you'll have serious scanning power for real-world volumes. Five independent multi-feed sensors combined with Metal Detection and Intelligent Document Protection ensure every document is captured flawlessly. Perfect Page Technology delivers crisp, clear images even with challenging originals.

KODAK i5650 Scanner

The KODAK i5650 Scanner features a 750-sheet input elevator for continuous document feeding at 180 pages per minute and an unlimited daily duty cycle. Five independent multi-feed sensors combined with Metal Detection and Intelligent Document Protection ensure every document is captured flawlessly. Perfect Page Technology delivers crisp, clear images even with challenging originals.

BUILT TO STAY BUSY
